## Opening of Phoenix Memorial Hall

Before a fairly large but very enthusiastic crowd the P.H.S. boys played the opening game in the new Memorial Hall in a satisfactory manner--a victory over our athletic rivals from Talent. The game from start to finish was interesting, neither team at any time having any great advantage of score. Phoenix held the lead all the way by a very small margin.

Capt. Kerns started things with a rush that made the crowd take notice and worked hard throughout the game. Roy played hard but was very slow about starting. At the end of the game he was just starting. At center Al played a real game considering he was pitted against the star of the Talent team. Several times his man got in the clear but Al kept a very close tab on him. Little Vcs got off on the wrong foot and couldn't get in step for some reason. Nick started the game but was called out during the second quarter for consultation. In the last half he played a REAL game. All he has to do now is prove that it was nothing out of the ordinary.

The game had a hair raising finish and every body from Phoenix gave a loud shout of joy when the official score was announced Phoenix 25----- Talent 24.

R. S.

Before the same enormous crowd our girls played a first, close game with the Talent Girls.

Captain Gaster played her usual good, steady game at right forward. She deserves great credit for having made 15 of the 19 points. She shot 13 baskets out of the fifteen that she tried for from the foul line. Guinevere, our star jumping center, played a fast, brainy game and although she could have used about a six inch addition to her height she did a good job jumping against Talent's tall old center. Violet, playing in her first basket ball game, knocked us all cold with her performances at side center. She had the jumps on the Talent girl everytime. Mildred, our left forward, played a fine game and made two baskets, from very difficult positions. Emma, our fast little right guard, played a fine game. Although she is exceptionally small she is fast and plays her game accordingly. Margaret, left guard, played her usual brilliant game.

In spite of all this fine playing we came out on the small end of a score of 21 to 19.

Better luck next time, GIRLS!!!!!!

### SHOW YOUR COLORS.

What we need for the school and the school work is school spirit. Do not be afraid to show it!! The best time to show it is at a basket ball game, and the best way to do it is to get together and unite in school yells.

When ever the Phoenix basket ball teams play a game with another town, if it is here, every school child who is big enough to yell and understand what it is done for should come and help.

The best way to make the yells more effective is to get together rather than have the school children scattered all over the hall saying different things.

I think at the next game we should all try to unite and make our school spirit shine brighter.

### SPEECH.

Dr. Greene, President of Albany College gave an interesting talk to the pupils of the Phoenix grade and High Schools Monday afternoon.

The Phoenix affirmative team debated at Ashland and lost three to nothing.

Ashland and Grants Pass will meet Feb. 22, and Phoenix will meet Medford the same day.

### BASKET BALL GAME AT APPLIGATE.

Friday night Feb. 1, the Phoenix basket ball team journeyed to Applegate.

The girls were unable to play as their captain and several of the players were ill.

The boys game began at 8:30. The game was fast and was well-played by both teams. Although Phoenix came out on the small end of a score of 23 to 16 we feel that they all played fine games and we also feel that the score will have a different sound when we meet them on our new gym floor.

The referee deserves much credit for his quick work and his fair decisions.

After the game all of the Phoenix crowd were taken into an adjoining room and were filled up on coffee, cake and sandwiches. After being strengthened by this collation the crowd enjoyed a dance and a general good time given by the Applegate Girls.

### JOKE.

Scott--"Did you hear that awful explosion last night?"

Glenn--"No, what was it?"

Scott--"The wind blew up Main Street."

### EXCHANGE DEPARTMENT.

The Editorial of the Medford Hi Times of January 25 would be a help to students everywhere if its theme were closely followed. We think it will be a help to many of us.

We see by the column entitled, "Listening In", in "The Rogue News", of January 18, that the exchange Editor was sadly "out of luck" after the Holidays.

We also see that practical jokes are not enjoyed by the students of Newburg High as stated by "N.H.S. Echoes" of January 22.

Exchange Editor.
